Sino-Nasal Outcome Test (SNOT-22) Questionnaire

Patient's Name _____ **DOB** _____ **Date** _____

Below you will find a list of symptoms and social/emotional consequences of your nasal disorder. We would like to know more about these problems and would appreciate your answering the following questions to the best of your ability. There are no right or wrong answers, and only you can provide us with this information. Please rate your problems as they have been over the past two weeks. Thank you for your participation.

A. Considering how severe the problem is when you experience it and how frequently it happens, please rate each item below on how “bad” it is by circling the number that corresponds with how you feel using this scale below.

B. Please check off the most important items affecting your health in the last column (max of five items)
